

# Understanding your mPINC Score

Hospital administrators, managers, physicians, nurses & dieticians learn how your organization measures up in infant nutrition

**Thursday, January 26th, 2012**

**Time: 2– 3:30 PM**

**Location: Tampa General Hospital**

Macinnes Auditorium 2nd Floor East Pavilion Room F235

**Keynote Speaker: Barbara L. Philipp MD, FAAP, FABM**

As Medical Director of The Birth Place and practicing pediatrician at Boston Medical Center, Dr. Philipp served as a Co-Chair of the Boston Medical Center Baby-Friendly Task Force, which successfully led the hospital to Baby-Friendly designation in 1999. Her leadership in Massachusetts's Breastfeeding Coalition assisted in establishing an annual Mother-Baby Summit that has improved statewide infant nutrition practices. Her lecture on narrowing the gaps in infant nutrition in order to understand your mPINC score is an experience you won't want to miss! Snacks, refreshments & 1.5 RN contact hours will be provided.
